Short Description : Virginia Senator Tim Kaine and Indiana Governor Mike Pence during 2016 Vice-Presidential Debate at Longwood University in Farmville, Virginia.

Location : Farmville, Virginia, United States

Production Unit : NBC News

Personality : Mike Pence; Tim Kaine

Long Description : Democratic Vice-Presidential nominee Tim Kaine and Republican Vice-Presidential nominee Mike Pence during debate at Longwood University in Farmville, Virginia. PENCE: It really is remarkable. At a time when literally, in the wake of Hillary Clinton's tenure as secretary of state, where she was the architect of the Obama administration's foreign policy, we see entire portions of the world, particularly the wider Middle East, literally spinning out of control. I mean, the situation we're watching hour by hour in Syria today is the result of the failed foreign policy and the weak foreign policy that Hillary Clinton helped lead in this administration and create.
